Girls' Basketball Fan

November 20, 2017

Dear Fan:

Basketball season is quickly approaching and it is time to order your season ticket package. I have enclosed a season ticket application, which needs to be completed and returned to me no later than 11/30/17.

The package includes a free t-shirt (while supply lasts) and your season ticket.

Season ticket package this year includes **10** home games and is priced at **\$45.00** per ticket. The IHSA State series are not part of the ticket package. This year the East-West game is scheduled to be played on the same night for the boys' and girls' teams. Season ticket holders will have the home game included in their season ticket and a pre-sale before the general sale to purchasing tickets for the away game.

Please review your application, fill in all the information and submit it with your remittance.

Your tickets will be available at the first home game, 11/30/17. You will need to go to the pass gate to claim them.

Any questions should be directed to Sandy Kelly, (630) 299-8197 or via email to skelly@d131.org. Calls are generally returned after 3:15 PM.

Sincerely yours,

Sandy Kelly

Ticket Manager East Aurora H.S.
