Few schools can boast of a history as rich, diverse and celebrated as East Aurora High School. The phrase often repeated in the halls of East Aurora High School has been: Once a Tomcat, always a Tomcat. It reflects the pride of alumni, and their lifelong bond with their school.

East Aurora High School alumni have used their educational experience as a springboard to great things. Tomcats have earned the Medal of Honor, served in Congress and the Illinois legislature, played in the NFL and NBA, advised the President of the United States and performed at the world's greatest concert halls.

The goal of East Aurora Distinguished Alumni program is to celebrate the accomplishments of graduates, preserve the high school's history, and inspire all current and future Tomcats.

GUIDING PRINCIPLES FOR DISTINGUISHED ALUMNI HONORS

The East Aurora Distinguished Alumni Honor will be awarded to graduates who have had a significant positive impact after high school.

The East Aurora Distinguished Alumni Award is presented to graduates of East Aurora High School who have made an international, national or regional impact after their high school career in areas including, but not limited to: academics, the arts, athletics, business, community service, literature, public service, science or service to our country.

Distinguished Alumni will be representatives of the proud traditions, values, community and ideals of East Aurora School District 131.

All alumni, beginning with the first graduating class in 1867, are eligible for consideration.

RECOGNITION FOR DISTINGUISHED ALUMNI

Recipients of the Distinguished Alumni Honor (or their representatives), will:

- Receive two complimentary tickets to the Distinguished Alumni Banquet.
- Have their name and accomplishments included on a plaque to be displayed at East Aurora High School, as well as on the District's website.
- Receive a duplicate of the Distinguished Alumni plaque.

CRITERIA FOR ELIGIBILITY OF HONOREES

The Selection Committee will choose no more than three post-1940 graduates for the Distinguished Alumni honor each year. The Selection Committee will choose no more than two pre-1940 graduates each year.

There will be no more than five total Distinguished Alumni selected each year.

Recipients of the Distinguished Alumni Honor must:

- Be a graduate of East Aurora High School. Proof of graduation may be required. For students who did not complete high school due to exceptional circumstances (such as serving in the Armed Forces), the graduation requirement may be waived.
- Have graduated at least 15 years earlier. For instance, a 2000 graduate would not be eligible for a Distinguished Alumni Honor until 2015.
- Have accomplishments or service recognized as outstanding through awards, honors or other methods of distinction.

COMMITTEE RESPONSIBLE FOR SELECTION OF DISTINGUISHED ALUMNI

The Distinguished Alumni Selection Committee will consist of six members, appointed by the Superintendent or a designee for a three-year term. All members should be current or former students or employees of East Aurora School District 131. When choosing the Distinguished Alumni Selection Committee, the Superintendent will attempt to find members that represent a diverse range of voices, age groups and backgrounds in the community.

When making Distinguished Alumni selections, the Committee will not be influenced by personal friendships, relationships or connections to any applicants. Members of the committee cannot nominate themselves for the Distinguished Alumni honor. Members cannot vote for or against themselves if they are nominated. Members of the Selection Committee who are also nominated must recuse themselves from the selection process while they are being considered.

Members of the Selection Committee who have made a nomination may be an advocate for that nominee.

PROCESS FOR SELECTION OF HONOREES

When?

Nominations are accepted at any time. On June 1, all submitted applications will be gathered for review. Any nominations received after that date will be considered for the following year.

Within one month of selection, the committee will notify each recipient (or their representative) of their selection. If the recipient or their representative cannot be reached, their name will be put back into the nominees for future consideration.

Once a name is submitted, qualified nominations are kept on file for five years.

How?

All forms must be as complete as possible to enhance the nominee's chances of acceptance. The nominee's credentials should be as specific as possible. The committee will determine the inductees based primarily on information in the nomination packet, although the Selection Committee can conduct independent research and/or interviews.

Supporting documentation is strongly encouraged. Please include additional information, articles, resumes, news stories, etc., with the nomination.

Each Distinguished Alumni Honoree must receive a consensus of support from the selection committee.

To submit an application:

Please print form and mail to: East Aurora Distinguished Alumni Selection Committee, McKnight Service Center, 417 Fifth Street, Aurora, IL 60505. Or, scan and email to alumni@d131.org.
