LEARN MORE

You're invited to find out more about NIU's College of Engineering and Engineering Technology (CEET) at one of our virtual events. Attend an **Engineering Info Night** for a one-hour virtual look at career prospects and what we can offer you. Attend a two-hour virtual **Open House** for a deeper dive and see virtual lab tours, talk to faculty, and find out about hands-on learning.

CEET is ranked in the top 35 for undergraduate programs, as ranked by *U.S. News & World Report*, 2021. We offer bachelor of science degrees in Biomedical Engineering, Electrical Engineering, Engineering Technology, Industrial and Systems Engineering, Mechanical Engineering, and Mechatronics Engineering. As soon as they are on campus, students have access to the labs and start to apply what they're learning in the classroom with hands-on experience.
