Here you will find books EA owns. Scroll down for more search options.

A few things to know about these books:

- Everyone can read the same book at the same time
- You will find copies of some popular titles here & some books from eminent domain (copyright has expired, so they're oldies but goodies!)
- You will also find class novels here as well.

For more book options, add the Aurora Public Library

Click the  in the upper right hand corner. Then click **ADD LIBRARY**

Type in your zip code to find APL & select Aurora Public Library District

The screenshot shows a web browser at the URL `soraapp.com/library/d131`. The page has a blue header with a cloud pattern and a search bar. The search bar contains the text "60505". Below the search bar, the text "MATCHING LIBRARIES" is displayed. There are three library results shown in a grid:

Below these results, there are three more library options:

- Online Media of Northern Illinois Libraries**
- Naperville Public Library**

Two green arrows are overlaid on the image: one points from the top text to the search bar, and the other points from the top text to the "Aurora Public Library District" result.

When asked to “sign into” to your library, you will have a dropdown box of choice. Select D131 as your library, not APL.
